As a recipient of the Allies generosity, the Milestone board and staff wishes to express our thanks for their continuing support of *The 1989 Milestone*.

The Headmaster and First Lady

DEDICATION

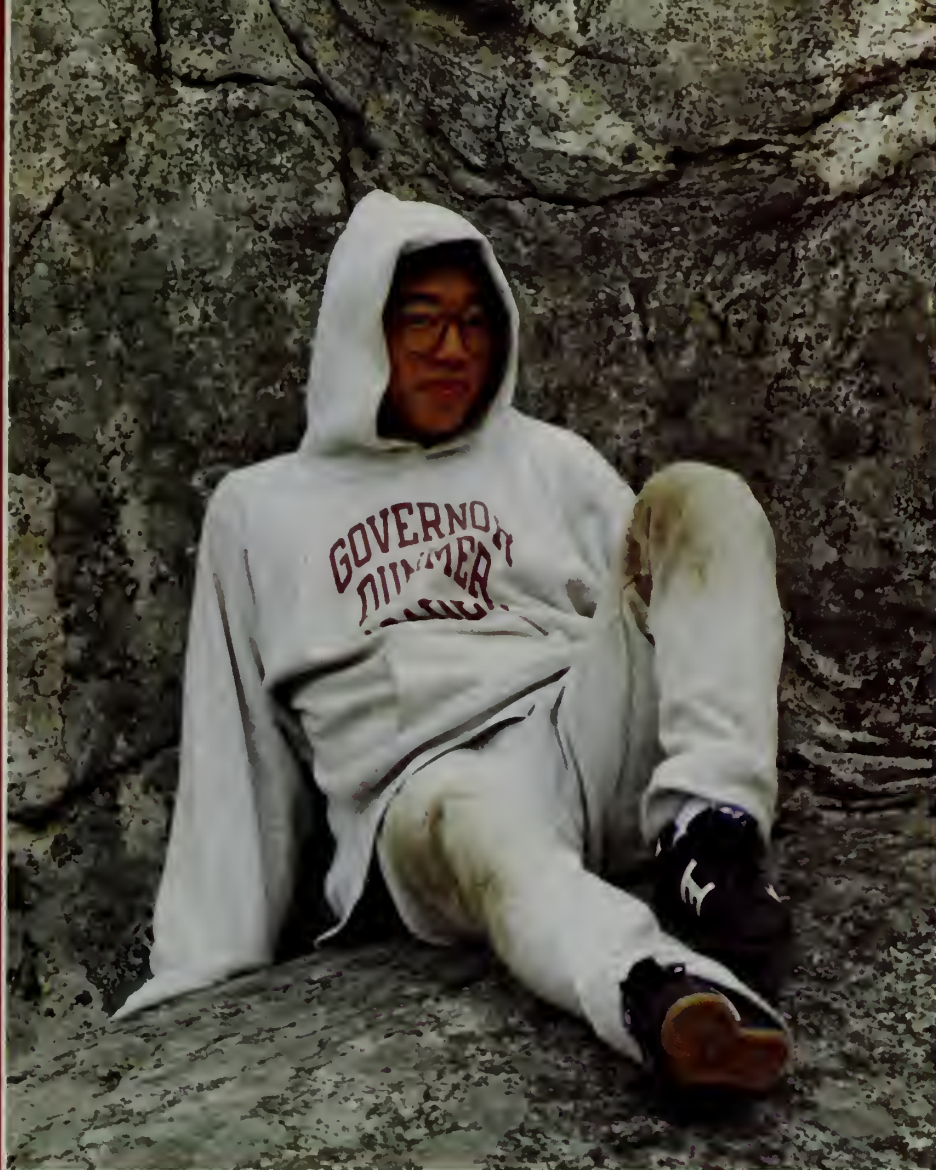

A graduate of Cambridge University in England, she was appointed to the Governor Dummer faculty in 1977. Because of her background of speaking a foreign language (English as "spoken properly") to us, she has a great affinity for those students for whom English (American style) is a second language. Her interest and compassion has spread beyond those special classes she has taught to foreign students. For the Class of 1988 she became their freshman year class advisor. She enjoyed the relationship with the class so much she requested to continue to be their advisor for the ensuing years. However, she felt she must respond to the call to go home for a one year teaching exchange in England during the 1987-1988 school year. Wishing not to be denied the privilege of seeing "her special class" graduate, she returned briefly for the '88 Commencement exercises and then returned to England to complete her exchange.

Out of respect for her dedication to students, command of our language, and devotion to the school, we respectfully dedicate

The 1989 Milestone

Henri Amiel

"True happiness consists not in the multitude of friends, but in the worth and choice."

Ben Johnson

William James

*"Let this be

John Gadfrey Saxe

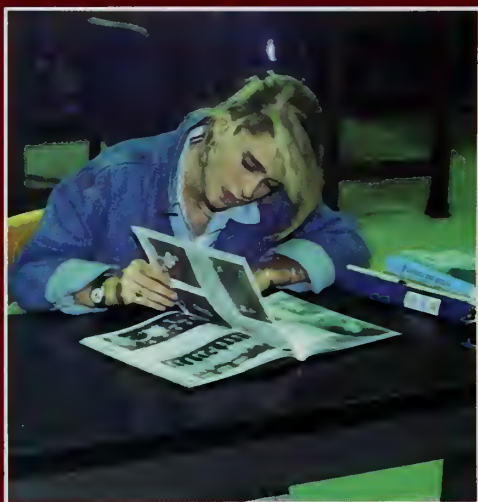

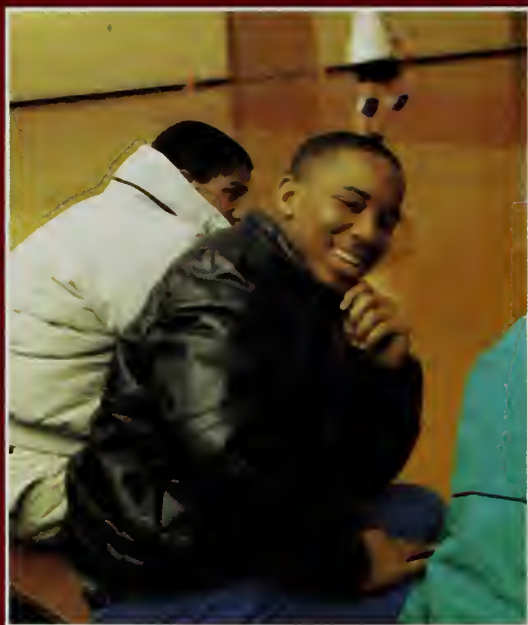

*"I never found

The German-American Exchange

The Beginnings of International Friendships

On September 26, twelve GDA students rushed from their practices to greet the German exchange students. For those who had traveled to Germany in June, it was a happy reunion and a time to recall memories; for others it was the beginning of new friendships.

During their three-weeks stay, the German students attended classes and athletic practices. They adapted to American culture by staying with nearby families and being a part of the family life.

A few highlights of their stay were a reception with the Mayor of Newburyport, trips to historical Boston and Newburyport, a dinner at Jacob Marley's and gatherings at hosts' homes.

The German students liked

GDA for its spacious campus but found the days rather long compared to their daily eight-to-one schedule. At their school, they have no sports requirement and comparatively little homework.

Overall, it was an excellent exchange. I, as well as others, have received letters from some of the students and they all want to come back - it was

definitely successful. I also would like to personally thank all of those who helped to make our visitors welcome. You helped to make their stay purely enjoyable.

Sports

Varsity Women's Soccer

The Women's 1988 Soccer team had a semi-successful season. Although we did not win as many games as we would have liked, we learned about the game and the way it should be played.

Pre-season started off with everyone returning from a great summer but no one was in the soccer mode. This was evident in our first practice, our skills were shakey and our minds were not in the game. As the week progressed the kinks of the early days were worked out and the team started to come together. We were now ready for our season to begin.

We started out the season with high hopes and thoughts of defeating our opponents quickly. However, we learned that it wasn't going to be so easy. We faced upsets at the beginning of our season which made us think of goals and how they would be achieved. Our practices became tougher and tougher with Mr. Casazza establishing more confidence within us. He assured us that although we were a young team, we were good and we would eventually start winning.

Eventually everything started to click, our defensive line led by Shannon Davenport was flawless, our front line

led by Courtney Seed was unstoppable, and our half-backs gave a huge helping hand. We took off and began winning games; the end of our season was the best.

More than anything else this was a building year for the team. Many improvements were made and many new techniques learned. We are all eager for the next season. Under the leadership of captains Liz Shea and Shannon Davenport, and the direction of Coach Casazza, we should be able to hold our own against the very best, but only if

everyone, especially Jeannette remembers "to throw it where the ball went out."

Varsity Soccer

The Team that Learned a lot

Imagine a very talented but rather short group of men working hard all season but only winning four games. That was the story of the Men's Varsity Soccer team. The only excuse for our record would be our inexperience and youth.

One can not measure a team's success by its wins, but by what the team learned. Our team learned that on any day, either team could win no matter what its record was. For example, Nobles was known to be a poor team, but yet they killed us 5-1, winning the only game during their season.

Our team also learned we could play with the best teams. When we confronted first place St. Mark's, we defeated them 3-1. After that, we went on to win three out of the last four games of the year.

The most important thing we learned though was how to have fun. Overall, I feel that the year was interesting. Next year the team will be very strong, under the leadership of Captain Nick Vachon. Good luck!

Varsity Field Hockey

With only three returning veterans, the team knew that it lacked the experience of last year's team. They also knew that there was a lot of work to do before they would be ready to compete in the tough ISL League.

The girls on the team realized the challenge that lay ahead of them. They worked hard all season long and although they won only one game, they all know that they came a long way from that first scrimmage, against Georgetown during preseason.

Although they played many frustrating games with lopsided scores, they never gave up. Leaders emerged - Alison Schermerhorn stood out as a great goalie in her first year. She proved to be a true asset to the team. Jess Cowles, Alyssa Huber, and Kelli Mello held the defense together while Lisa Hernandez and captain Cate MacLachlan led the offense. Lisa was recognized as an ISL All-star and the team's MVP. Her fast breaks downfield were inspirational for their team and seary for the opposition.

The highlight of the season was their tremendous 2-1 victory over Pingree. They proved to themselves that

they could win and showed how much they had learned since preseason. So, although their record does not rival those records posted in the previous two years, they know that they gave it their all and didn't quit, even when it was most tempting. A good base was built this year for next year's team. The future certainly looks bright!

Coach Abusamra with Captain Amy Russell

Led by their Captain, the Girls Ran Ahead

The cross-country distaff proved itself to be a threat in the ISL when the girls placed 3rd in the ISL Championships. This powerful team was made up of strong individuals who could unite for the benefit of the team.

Captain Amy Russell wrapped up her undefeated career at Governor Dummer by winning both the ISLs and New Englands, each time finishing a minute ahead of the next runner. Amy was named to the Boston Globe All Scholastic team and an ISL MVP.

Sophomore Alexis Colby struggled with an injury during much of the season, but she was able to rise to the occasion by placing 3rd in the ISLs. She was named to the ISL All League team.

We were graced with the Freshman superwoman, Kate Atkins, who placed 7th in the ISLs and 10th in the New Englands. Kate was recognized as a league threat and she was also named to both the ISL and New England All League teams.

Sophomore Dede Simons and Senior Tina Hilliker, our southern influences, sealed the major victories of the season, and Freshman Amy Hill was able to secure a personal record in

the New Englands.

It's no secret how all the girls were able to reach their maximum potentials. This magic comes from Coach Abu who deserves endless thankings for his dedication, and undying love for the sport.

The young team should do even better next year under the leadership of Alex Vincent. Good luck!

Varsity Men's Cross-Country

Although not a powerhouse, this year's mens X-Country team rose to meet the challenges before it.

Outstanding on the team was Captain Adam Barton. He was beaten by only four other runners in the ISL. He came within 3 seconds of the school record.

Other stars of the team, included senior M.J. Forrest, and juniors Brian Payne and Andy Baird. These runners improved tremendously from the beginning of the season.

The season began with an easy victory against St. Sebastians. This was followed by a slump of six discouraging losses. We then came back to beat two of the last four teams we competed against. The team's improvement was clearly seen by the fact that we placed in the top half of the teams in the ISL Championship meet.

The best thing about this year's team was it's spirit of cheerfulness. Even when we weren't winning we enjoyed each other's company and had fun. This team's conversations were like a friendly rag session. We never got discouraged, gave up, or stopped having fun. I think it was the pain we shared on the track on Bradford Hill that brought us together. One thing was unquestionable; we were a group

of friends.

Just as this team never lost it's sense of fury, we never lost our competitiveness. Every athlete went into every meet intending to give his best. Every runner pushed himself in practices and meets because he wanted to do the best he could. This drive was what made the team great even though its 3-8 record didn't show.

Next year's team should do very well with the strength of returning runners such as Brian Payne, Stratton Newbert, Gardner Orton, and Captain-elect Andy Baird.

I wish them the best of luck.

Varsity Football

The Team with a lot of Character

For the Varsity Football team, the 1988 season was a time of building. We had a very young team, with only three returning starters. Captains Brian Arrington and Rob Zartarian led the team while they kept up the moral.

Tom Plante was elected MVP for leading the team in rushing. All-League Junior, Todd Dixon, proved to be a major asset both offensively and defensively.

The character of the team really shone brightly in our final game, against Belmont Hill. Down 21-0 in the second quarter, Dixon ran back a kick off to make the score 21-7. The team didn't give up, they came out in the third and fourth quarter and put some more points on the board. Three touchdown passes from Sophomore quarterback Bill Batchelder to Dixon made the score 27-25 with five minutes left in the game.

The defense came out and held Belmont Hill, forcing a fumble. But Belmont Hill got the ball back four plays later and scored with under a minute left in the game, resulting in a tough loss.

The ability of the team, going into the game 0-6, being down 0-21 in the first half, fighting back and taking the lead, really shows its character. Unfortunately Coach Scheidegger and Coach Winkowski will not be returning next year. However Coach Shea and Coach Ritter will be back and should be in for an exciting season.

Good luck!

Division I: A New Frontier

This year the defending New England Prep School Champions embarked on a new era of hockey. An invitation to the Division I Keller League put the Governors against some of the best competition in the country. But the

high standards set for themselves were not met as easily as anticipated.

The higher caliber of competition necessitated that the team show up for its games ready to play three strenuous periods of hockey. The team displayed this maturity in games against Lawrence Academy, Belmont Hill, and St.

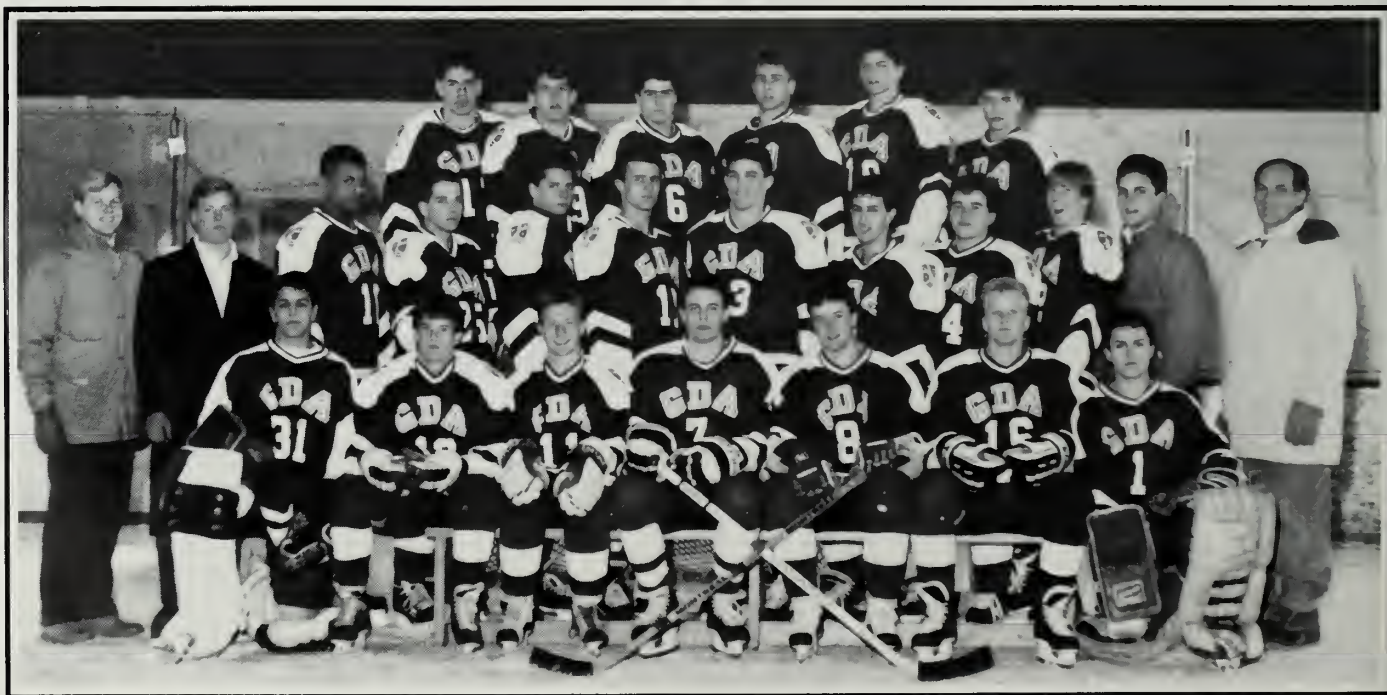

Paul's. Each game was within seconds of victory for the Governors. In a hard fought battle with the league champions of Lawrence Academy, perhaps the best team in New England, the Governors fell short with two seconds left in overtime resulting in a heart-breaking 3-2 defeat. This seemed to be the tone for the team's season as they challenged the best of the best but too often could not find victory.

The Governors ended the season with a 6-9-1 league record and a 10-11-1 record overall.

The record of the Governors is not as successful as hoped, but the growth within the team and the maturity of the players was intense.

Leadership was plentiful on this hockey team. Alex Moody set an example with his prowess and conduct in net, while Captain Derek Sullivan gave the team a sense of confidence and motivation possessed only by an experienced player. Kevin Lydon provided a quiet leadership, as he went out and did his job without fail.

With a corps of eleven seniors, the 1989-90 Varsity Hockey team will have the ability to carry out their goals. The limits of the Varsity Hockey program will be infinite. The captain of next year's team will be Micheal Yeagley.

The Team With Devotion

This season was a rebuilding one for the Varsity Women's Hockey team. We lost nine seniors to graduation last year, which left the team with only nine returning varsity players.

After tryouts, coaches Lynda Bromley and Matt Macdonald picked a fourteen member team, consisting of three full lines, two sets of defense and one goalie, Kate Fyrberg. With such a small team, the girls knew that a lot of determination and hard work was needed in order to have a successful season.

During the Holderness Tournament, we placed last out of four teams, competing against St. George's and Tabor. After this tournament the players became more of a team and the overall style of play improved. Many games were played with more determination than the scoreboard could show. An example of one of these games was the home game against St. Paul's, where G.D.A. dominated the game but lost by a close score.

The team is graduating six seniors: co-captains Carrie O'Keefe and Kris-

ten Casazza, Jess Cowles, Jenn Cowles, Heather Mosher, and Jenn Ashare. This is an obstacle for next year's team, but we have confidence that the team will valiantly pull through.

Much thanks is given to Coach

Bromley, Coach Macdonald and assistant Jon Koscis for all their efforts and contributions to the team. They helped us greatly through this trying season. We hope they can accomplish even more in years to come.

We wish next year's team and future teams the best of luck. Under the leadership of co-captains Robin Remick and Kathryn DiNanno, the 1989-90 Varsity Women's Hockey team will do well next year.

Volleyball

A Dedicated Effort

With only four returning varsity players, the volleyball season did not look promising. However, each of the ten players had the spirit and skills to beat any opponent. Unfortunately, the GDA team had a difficult time proving their abilities in the games. The season ended with a 4-6 record and placed 7th out of ten top teams competing in the Choate-Rosemary Hall Invitational Tournament.

Although the 1989 volleyball team did not live up to past GDA records, they gave the toughest competitors, B.B.&N, a great struggle and have built a strong base for next year's team with captain Kelly Mello.

The team will miss Alison Magee's unbeatable serves and the setting skills of Fati Entekhabi and Captain Lindsey Curley. However the team will still include juniors Danielle Kealler, Jocie Malik, Kelly Mello, and Jessica Tippo; Sophomores Meredith Kalil and Dede Simons; and freshman Tara Ryan.

Thanks to the coach, Mrs. Karin,

along with the assistance of Ms. Clark and Ms. Eaton, the team improved a great deal. Extra thanks is given to manager Stacy Gillis. The team will surely miss running stairs, sprints, jumpropping, and sprawling, but will look forward to seeing Baby Karin.

Varsity Men's Basketball

55 Game Winning Streak!

The Varsity Men's Basketball team had a very successful season. The team extended its winning streak to 55 league games, attended the tournament for the 7th straight time, and was league champ for the second year in a row.

The team was led by captain Bob Foster, one of McDonald's top 1,000 All-Americans, whose leadership on and off the court was well appreciated by the team, coaches, and community. Other starters were: Ramon Perez, whose shot and slick moves stunned opponents; Todd Dixon, whose rise and pressure shots contributed greatly; Don Conley, who had imposing size and post moves; and Kyrie Stevens, who possessed the ability to hit the long three-pointer at will. The bench contributed greatly, both playing and supporting;

Senior Mike Barad, Juniors Chad Harlow, Erick Street, Arthur Zweil and Sophomores, Bill Batchelder, Joe Sowerby, Collin Washington, and Andre Sheffield.

One of our most memorable games was against St. Pauls. It was a close game all the way to the end. In the final period, Bob fouled out which changed the game drastically for the team. As the final few seconds wound down Don Conley blocked St. Paul's three point attempt, sending the game which was tied at 67, into overtime. The overtime score was close but Todd Dixon saved the day with a buzzer-beating three-pointer.

The wins should be credited to the fact that the team played as a whole. Whenever we stepped on the court, we knew that in order to win we had to give

110%.

Intensity and Motivation Prevailed

If you had walked into the gym in the middle of November, you would have merely seen a dedicated group of eleven players; four returning players and seven new additions. But the lack of experience didn't dampen our spirits. We learned about each other as we developed close friendships, and due to Ms. Childs' dedication and support we learned how to work together so that by the season's opener, we were a team.

Winning a close game against Groton sparked enthusiasm at the beginning of our season. It gave us intensity and motivation that carried throughout the entire season. Solid contributors to our season were Catherine Tuthill, Margo Doyle, and Tonya Kovach.

G.D.A. vs. Brooks (32-33) was a hard fought game with an excellent effort given by Chante Lampton. Leah Colangelo presented a strong performance in the game against St. Mark's.

Throughout the season we learned that we could compete with even the best teams. When looking at the win/loss column, you can see the statistical side of our season, but that is only half of the picture.

The other half, though, only the team will remember. . . "Team work" . . . salami . . . orangatang - with an "a" or an "o" . . . bowling . . . "Who me? I didn't touch her!" . . . Sound of Music . . . half time with the lollipops - "Who got an Indian" . . . the gagawam . . . scruples . . . "honest Abe Catherine" . . . oops, but thanks for the balls: Brooks, Milton, St. George's, and Middlesex.

You did a great job, Mel.

Varsity Wrestling

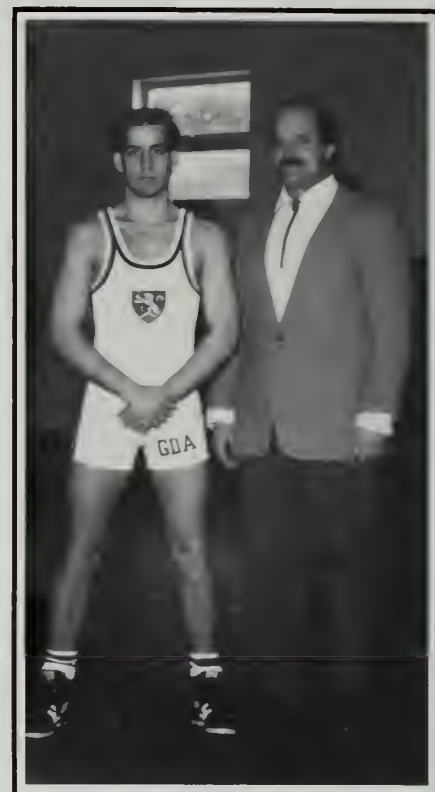

This year's wrestling team was one of the youngest teams in the history of GDA wrestling. The team was plagued with injuries to all of the varsity wrestlers at various times during the season. But despite the setbacks, it was a good year and there were a lot of surprising results. The team was led by Coach Jim Scheidegger and captain Pat Riley.

The season began with the Christmas Tournament. Pat Riley was named a champion, while Dave Smith placed second, and Hyun Young Shin and Derek vanVliet both took thirds within their weight classes. The season ended with the Graves Kelsey. Hyun Young Shin took fourth as Pat Riley grappled for sixth. An honorable mention deservedly goes to Dave Smith, who would have placed had he not been injured. At the New Englands Pat Riley finished his season by placing in the top eight.

The team had a good year due to the stunning examples from the seniors. At 130 was Hyun Young "Jap Wizzer" Shin, at 135 Hamish "I'm a stud" House, at 140 Pat "Exciting first period" Riley, at 145 Derek "Unpinnable" Van Vliet, at 171 Nate "Way out of my weight class" Broehl, also at 171 Will "Blimey! He's a Limey" Hildesley and Joe "I know a better way" Lipchitz. These guys were the inspiration to the upcoming wrestlers such as Chris Troianello, Jason Uttam, Dave Corbin, Chris Parks, Dan Loring, Brad Panoff and Nick LaPierre.

Good luck to next year's wrestling team, which will be led by captain Dave Smith.

Dance

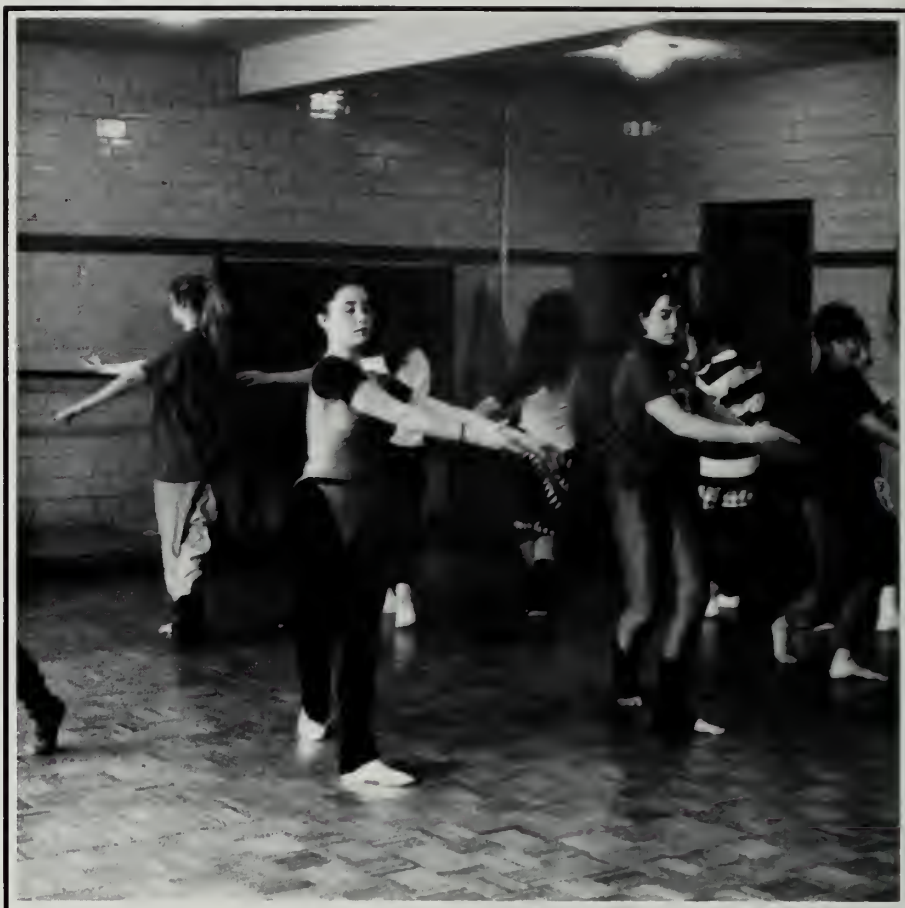

This year's dance season was run by Fontaine Dollas. The dancers worked on pieces every afternoon during the term. The 24 dancers performed at the annual dance show.

The majority of the choreography was done by Fontaine. Most of the dances contained a combination of jazz and modern dance, with some ballet added into some pieces. The first half of this year's show was made up of a variety of music and styles of dance. However, the second half of the show focused on social injustice, which included pieces by Tracey Chapman and Stevie Wonder.

The dance program will be losing many talented seniors, including Mariah Lilly and Joy Fosdick; who have been choreographing together for three years. Also, Kristin Brown and Allison Hyder, who have been dancing at GDA for four years.

Despite this loss, there will remain many talented and dedicated underclassmen. Among them are Nikki Fardy and Erin Grogan.

Cross-Country Ski Team

A Season Without SNOW

The 1988-1989 season was unfortunately plagued with a lack of snow, or at least until the season was officially over.

Despite difficulties, the ski team saw snow once out of three attempted efforts. The first try was ruined by a broken down bus enroute to the meet. The next attempt was faltered by the small courses Holderness had which made racing there impossible. The team finally made a trip to a little oasis of man-made snow in Weston, Ma. In the only meet of the season, the women's captain Amy Russell easily won the women's event. Gardener Orton led

the Governor's men to the finish in the race.

Daily training was challenging and enjoyable with Coach White and Coach Larsen. In his first season as head coach, Mr. Larsen unfortunately did not have a season that gave tribute to his coaching ability. Best of luck and lots of snow to next year's cross-country ski team.

Co-Champions of the ISL

Despite a close loss to Thayer, the Varsity Baseball team defeated every other team, ultimately finishing the season Co-Champions with Thayer. Everyone gave his full effort to the team but honorable mention goes to Rob Wattie, who pitched a no-hitter (the first at GDA in over 50 years!), and to Tom Plante, for his spectacular diving catch at Brooks, which no one will ever forget. Congratulations!

The Seniors will be sorely missed

G.D.A. Lacrosse was coming off a satisfying '88 season, but Coach Shea and Coach Anderson did not know what to expect for '89. The two coaches stressed good physical condition and stick skills. When he discovered how quick and aggressive his players were, Mr. Shea began setting his sights high.

The Governors finished with a solid 7-4 record (8-5 overall) which put them in fourth place in the newly formed ISL league. This included a thrilling come-from-behind overtime win against St. Paul's, and a heart-breaking loss in double overtime to Middlesex. Though the team was very diversified among the classes, a number of seniors contributed greatly. Tri-captains Kevin Lydon, Jon Kocsis, and Nate Broehl gave fine leadership and play on the field. Team MVP went to Kevin Lydon, who also received First-team All League status. The Senior Lacrosse Trophy went to defenseman

Derek vanVliet, and goalie Nate "the Gate" Broehl received Second-team All League status.

Looking ahead to next year, a powerful group will return, but the sen-

The Team With Potential

The women's lacrosse team had its work cut out for it this season. The loss of several seniors made for a young and fairly inexperienced team. The players also had to adjust to a new coach. When the season began, we saw that the team needed a lot of work. But these players had more potential to be a competitive team than many other teams had in recent memory. We worked hard, ran farther than many of us imagined we could, and together the team learned a great deal.

The team will lose four seniors this year; Captain Cate MacLachlan, Courtney Seed, Kristin Casazza, and Jeannette Morss. The team will still have ISL All League Kerry Campbell, MVP Margo Doyle, and most improved player Grayson Cunningham.

Women's Varsity Track

Congratulations for a great season!

Teamwork was the key to success

Although winning the New England title may not be a new feat for the members of the women's track team, the victory over Milton Academy and bringing home the ISL championship for the first time made 1989 a truly brilliant year.

Teamwork was the key to success for the team. To clinch the victory over Milton, GDA's mile relay team (Lisa Hernandez, Amy Russell, Shannon Davenport, & Leslie McCant) out ran the school record by three seconds finishing with a time of 4:15. Each member of the team competed in three or more events to make the victories possible. Spectacular performances included senior Amy Russell's victories along with her school and meet records in the 800 m, 1500 m, and 3000 m at the ISL & New England Meets. Russell was voted "Most Outstanding Runner" of

the ISL Championships and was named ISL MVP. Junior Shannon Davenport set a meet record in the javelin with her victory at the ISL. She then duplicated that victory at the N.E.'s. Senior Lisa Hernandez won the long jump at the ISL's and the N.E.'s and took first in the 400 m at the ISL's.

The Multi-Talented Team

This year's team was one, that despite its small numbers, inexperience, and injuries, never lowered its standards or let go of its pride. As a result this team did better than many might have hoped.

The weight crew, led by Bob Foster, was one of the strongest parts of the team. Seniors Brian Arrington and Brad Johnson also made large contributions.

The jumpers and vaulters also held their own. Mike Quimby and Hamish House tried vaulting for the first time and Hamish won several first places in his first year. Paul Shih and Andre Sheffield both fared well in the high and triple jumps even though they were plagued with injuries. Brad Johnson, Bob Foster, and Kyrie Stevens all excelled at the long jump and placed in many meets. Many of these jumpers were also sprinters, who, along with Dave Beatty, held their own.

The distance runners also held their own. Freshman Hoyt Morgan showed great signs of promise. Adam Barton placed 1st or second in every race he ran in the regular season.

All of these groups combined to make this team a formidable force. The team itself had only twenty members. Despite this and the many injuries that

affected the group, they never stopped fighting. I pray that these athletes carry that drive into the next season where they should do very well. I wish them well in next and all their future seasons.

Young Team Strives For Excellence

The men's tennis team started off rather slowly this year, but as the season progressed it was easy to see how rapidly everyone was improving. The team had only three returning lettermen so the experience of the team definitely was not to our advantage. The team really demonstrated their improvement by winning three out of the last five matches.

Co-captain Hyun Young Shin capped off his GDA career with a fine season both in singles and doubles play. Sophomore co-captain Doug Fluke was awarded MVP for 1989. He was also selected for the 1989 All-League team. Sophomores Dave Corbett and Tony Cohen provided depth at the 2nd and 3rd singles position while the biggest surprise was Matt Masinter and Mark Foster making the singles lineup as only freshmen. Chris Troianello jumped into singles action this year. He really performed well towards the end of the season. Seniors Mike Barad, Paolo

Josca, and Jorg Rohaus played some fine doubles and proved to be key factors to this year's team. Junior Jon Bonnell and sophomore Jef Santonelli were also essential members of the doubles tandems.

Women's Varsity Tennis

A Season Of Personal Victories

This year's women's varsity tennis team was spectacular! Although there were only 2 team victories, there was a large number of personal victories. Many of the matches were very close; people lost by one set or even extended the play to a third set. However disappointing these defeats were, the girls always gave their best effort and were often complimented by other teams for their great sportsmanship.

With only nine players and one coach, the team always traveled in their own van and became very close. Near the end of the season, the team had to deal with the loss of two very valuable players. The loss moved almost all of the players up two spots, to which they quickly adjusted, and continued to give all their opponents tough competition.

The team was composed of the co-captains: Senior Lindsey Curley and Junior Jodi Packard. Other seniors that

will be missed are Alison Magee and Lauren Jellinek.

Next year's team will be strong with returning players, juniors Kristin Morgan and Stacy Budnick, sophomores Becky Baker and Dede Simons,

and freshman Tara Ryan. This year's MVP was awarded to Lindsey Curley.

Finally, the real reason why this season was so spectacular was due to their magnificent coach, Mrs. Childs. She was supportive and helpful on the court, and encouraging and enjoyable on the long van rides. Thanks Mrs. C!

Varsity Golf

"The team will have to go through a few years of rebuilding." This is how the 1988 golf article ended. After the team's championship season, the article described what the future teams had to look forward to. The 1989 team began the years of rebuilding.

Dan Nadeau and Jason Twomey, this year's co-captains, were the only two returners. Jason and Dan struggled at the first and second positions for most of the season while they tried to pass on their experience to the rookies.

Pat Riley worked his way up the ladder with his ever strengthening game, ultimately reaching the second seat. Unfortunately, he could not finish a most likely MVP season. Mike Kalil, a product of the previous year's JV team, struggled most of the season, but the experience he gained was unmeasurable. Eric Lacroix really came on as a pretty steady golfer. Now that he knows the rules a little better, he should do very well next season.

John Sullivan had some very bright moments but at other times his games took some ERRATIC TURNS. John Wilson had an up and down season but he always seemed to score well on the fifth hole! Cathy, the first girl to ever play on the golf team, was the butt of many jokes, but she took the ribbing very well. Although she never reached her true potential, with a little work she will be a strong player for the next two years. John Clifford joined the

team for the last couple matches to fill Pat's position, which he did outstandingly.

Through all the snow storms, down pours, and gale warnings, the team did pretty well. We always seemed to find a way to have fun. Next year's team will have five solid returners led by Captain Jason Twomey. Good Luck to the 1990 team.

The

Big

Day

This page top: *Anticipation* front row left to right.

Preston: "now the gravitational effect on my trajectory if I'm on stage left will ..."

Courtney: "Mom, do I have to jump over that wall?"

Lindsey: "Yeah, I'm really gonna' do it."

Kristin: "Oooh, that's almost tall as I am!"

Young: I'm not sure if I have time for this but ... oh, well if its an American custom, here I go. I can study this afternoon."

Bottom: Rick: "I'm such a huggable teddy bear."

Next page top left and bottom:

Fishman: "Man, its signed and I'm gone!"

Bucket: "Hey you over there, can't you see I'm huggable too?"

Mr. B: "Was it rolled in Havana, Karim?"

Meanwhile, faculty members
sedately survey the scene while with
surreptitious serenity savor survival
'til the summer solstice.

Editor's Note

In the course of being editor, I learned that there are three stages to holding this position. The first stage is the honor of being named editor. The honor is then followed by the burden of being editor. Many people don't know the extent of the burden. The burden includes the time and effort put into making the book. The final, and most enjoyable, stage is the accomplishment. The accomplishment and success is felt by receiving the final product, the culmination of all efforts. This book could not have been created without the succession of these stages. Thanks to all those people who helped me through them.
